

WHO WE ARE

Since 1867

OUR MISSION

The mission of Jewish Family Services is to provide supportive services that will strengthen families, children and individuals throughout the lifecycle within the context of their unique needs and traditions.

OUR VISION

Jewish Family Services will be the recognized resource for high quality services that enhance the lives of all we serve. We will enable our clients to adapt to change, reach their maximum potential, and lead fulfilled lives.

OUR VALUES

How we accomplish our mission is as important as the mission itself. In everything we do, we will always be guided by Jewish values of chesed (loving kindness) and tzedekah (righteousness, justice) which have required us to care for those among us in need, not as a burden but as a mitzvah (obligation).

We serve all in the community
regardless of age, race, religion, income or lifestyle.
